

Cllr. Deirdre Forde Notice of Motion (1):

“That the relevant engineer gives a written report and update and timeline completion on the section of ground on Maryborough Hill just above the Paddocks”.

Response from Traffic and Transportation Section:

Maryborough Hill – Completion of Works:

The remainder of the works to be completed on Maryborough Hill as part of the Carrigaline Green Route involved a CPO which commenced in early 2015. The CPO process has now been completed. It is anticipated that works will recommence in the coming weeks; the construction works program is currently being discussed with the contractor. Works may recommence on site as early as Monday 16th Nov 2015. It is anticipated that the works will be fully completed on Maryborough Hill before the end of February 2016. This will see all works completed on Maryborough Hill. These works continue to be funded by the National Transport Authority under the Regional Cities Program.
